

MISS IDA M. SNYDER,

Treasurer of the Brooklyn East End Art Club.

MENSTRUAL irregularities are generally the beginning of a woman's troubles. With the vitality at a low ebb, the blood weakened, the digestion disordered, she goes about pale-faced, hollow-eyed and haggard, a piteous contrast to the blooming health of her former self. But over 1,000,000 women have found health again by taking Wine of Cardui. As a regulator of the menstrual periods Wine of Cardui has never been known to fail. It has seldom failed to restore perfect health, even in the most persistent and aggravated case of weakness.

Miss Ida M. Snyder.

to their health we would have more happy wives, mothers and daughters, and if they would use more intelligence in the matter of medicines, observing results, they would find that the doctors' prescriptions do not perform the many cures they are given credit for.

"In consulting with my druggist he advised McElin's Wine of Cardui and Thedford's Black-Draught, and so I took it and have every reason to thank him for a new life opened up to me with restored health, and it only took three months to cure me."

You may secure the same relief as Miss Snyder, if you take Wine of Cardui as she took it. Thedford's Black-Draught is the companion medicine of Wine of Cardui and it is a liver and bowel regulator which assists greatly in effecting a cure. If you take these medicines according to directions, the relief and cure is simple. Some cases are cured quickly and others take longer because the disease has run longer. Remember how Miss Snyder took Wine of Cardui and has health. The same medicines are offered you to-day.

Some newspapers print matter to fill up space. Much of this is really harmful reading. It is the aim of the SEMI-WEEKLY NEWS to give helpful reading. Thousands will testify to its helpfulness to them. Ask your neighbor.

THE FARMERS' DEPARTMENT has helped so many. It is not the theory of farming written by college professors and others up north on the conditions that don't fit Texas. It is the actual experience of farmers here at home who have turned over the soil.

SPECIAL OFFER. If you are not taking the WEEKLY CHIEFTAIN, you should be. It is helpful to the best interests of your town and country.
